This Week's Missionary Focus:

Jim Ballard is a North American missionary serving as Associational Director of Missions and Church Planter Strategist for the Eastern Idaho Baptist Association. Jim and his wife, **Myrtle**, are seeing great success in planting cowboy churches and Hispanic churches in every community, thanks in part to our ongoing commitment to reaching people through the CP. Please take a moment to pray for the Ballards as they encourage and lead churches in the Eastern Idaho Baptist Association to creatively seek ways to reach their communities, and all of Idaho for Christ.
