## This Week's Missionary Focus:

**JOHN and AMBER GOETKE** are strategy coordinators for an unreached people group in Asia consisting of primarily non-literate farmers who learn through oral Bible storytelling. This year, John and Amber have partnered with a local brother who has a heart for this people group and is willing to move away from city comforts. Recently the Goetkes attended week-long training about agriculture that will give them the access they so desperately need with this rural people group. Picking up the yoke and plow, John and Amber are becoming all things to all people to bring the message of eternal life. We are part of this effort as we faithfully give to the Lord through our church and as our church participates in the Cooperative Program. This unreached people group and the Goetkes need our prayers in the days ahead.
