## This Week's Missionary Focus:

**JEFF STRUECKER** has seen every battle since Panama, and was involved as an Army Ranger during a conflict in Mogadishu, Somalia, the incident on which the movie Black Hawk Down was based. Now a North American Army Chaplain at Ft. Benning, Georgia, with Ranger Training School, Struecker interacts with the Army's bravest and brightest soldiers. It is no coincidence that Chaplain Struecker is serving at Ft. Benning. God is using your commitment to fulfilling the Great Commission through the Cooperative Program to raise up godly men and women who help defend the gift of freedom. Take time to thank God for the gift of His Son and for the freedoms we enjoy. Pray for these soldiers and their families as Chaplain Struecker ministers among them.
